The Contractor is to acknowledge receipt of this Addendum No. 1 on Attachment “I”, Checklist and Addenda Acknowledgement of the Bid Documents prior to submitting its Proposal.

Questions/Answers

1. Who will provide the dump trucks for hauling the millings?
Trucking of the millings will be provided for in a separate contract.
2. When will this project be scheduled?
Project should start within 30-45 days after bids are received.
3. Will the milled material be hauled to anywhere? If so, by who?
Existing millings will be blended into roadbed and used as a base material. Material can be milled and left in place. If a conveyor is used, millings must be windrowed on edge of road.
